

Appendix

IN THE CLAIMS:

In compliance with 37 C.F.R. § 1.121, Applicants provide below a clean copy of the amended claims and, as an appendix to this Amendment, Applicants submit a marked-up version of these claims using bold brackets to indicate deleted material, and bold and underlining to indicate added material.

Please amend claims 9, 12, 13, 16, 18, 38, 41, 42, and 46 as follows:

9. The method of protecting a keratinous fiber from extrinsic damage according to claim 1 [7], wherein said at least one sugar is erythrose.

12. The method of protecting a keratinous fiber from extrinsic damage according to claim 1 [11], wherein said at least one sugar is glyceraldehyde.

13. The method of protecting a keratinous fiber from extrinsic damage according to claim 1 [11], wherein said at least one sugar is dihydroxyacetone.

16. The method of protecting a keratinous fiber from extrinsic damage according to claim 1 [15], wherein said at least one sugar is lyxozylimine.

18. The method of protecting a keratinous fiber from extrinsic damage according to claim 1 [17], wherein said at least one sugar is xylobiose.
